

Shwachman-Diamond Syndrome Family Day

You're Invited!
SDS Family Day
Cincinnati Children's
Saturday, October 14

Join us for a complimentary, one-day Shwachman-Diamond Syndrome (SDS) Family Day at Cincinnati Children's on Saturday, October 14. Connect with other SDS families while hearing from leading experts. Sessions will include: "Biology and Treatment", "Bone Marrow Transplant and SDS", "SDS Registry Updates", "Adults with SDS", and more. Babysitting services will be offered free of charge to families. You are invited to also join us for an

evening event on Saturday night. Details coming soon. Register by September 15th: 2017sdsfamilyday.eventbrite.com.

Event Organizers:
Dr. Kas Myers
Dr. Akiko Shimamura
